

Flood Damage May Bring Disaster Relief

THE ASSOCIATED PRESS

Swollen creeks and rivers cracked levees and left thousands of persons homeless today, including 1,250 families in a five-state area and flood ravaged area of the Midwest.

Twenty-five dead and millions of dollars in damage were left in the wake of rampaging waters in parts of Missouri, Indiana, Kansas, Kentucky and Southern Illinois. Five persons are missing in the five-state area; 118 persons were injured and 68 hospitalized.

Red Cross rescue workers converted barracks, garages and civic buildings into emergency shelters. They worked around the clock providing food, medicine, orders for clothing and household necessities and shelter to refugees from 34 counties in the stricken area. High waters closed schools and business places, isolated many communities and made impassable many major and secondary roads.

The threat of typhoid fever from contaminated drinking water worried officials in many Midwestern communities.

Through the night river town dwellers and flood crews battled churning waters. Volunteer workers, Civil Defense and National Guard crews and soldiers joined in the fight to hold levees.

Near Washington, Ind., the west fork of the White River spilled over an earthen levee, but weary workers hoped that a two-foot wall of sandbags would hold the flood crest. The thirty National Guardsmen and volunteers filled bunks as they developed.

The sandbagging crew totaled almost 400 during the night as personnel from Crane Naval Depot helped volunteers.

Stephens Renamed by Arkla Group

SHREVEPORT, La. (AP) — W. R. Stephens was re-elected president and board chairman at an Arkansas Louisiana Gas Co. stockholders meeting Tuesday.

All other officers and board members also were re-elected.

Stephens told the meeting that Arkla's net income in the first quarter of 1961 was down 8 per cent from the same period of last year. He attributed the decline primarily to increased operating costs.

Net income for the first quarter of 1961 was listed as \$6,262,958, compared to \$6,812,496 in the first quarter of 1960.

Not Funny to Teachers, Says Rozzell

LITTLE ROCK (AP) — Forrest Rozzell executive secretary of the Arkansas Education Association, took another verbal punch at Gov. Orval E. Faubus Tuesday.

"The fact that Arkansas' teachers' salaries are the lowest in the nation might be a laughing matter to the governor, but it is not to the teachers," Rozzell declared.

Rozzell had earlier charged that Faubus' 1961 legislative policies were mainly responsible for Arkansas teachers getting an average \$300 a year pay increase next year instead of a \$700 boost.

Faubus replied to that charge Monday by saying, "If you can quote me as giving a loud 'haw haw' go ahead."

Figure Faubus to Plan Big Bond Drive

LITTLE ROCK (AP) — State Education Commissioner Arch Ford said today he hopes a special election on Gov. Orval E. Faubus' proposed \$60 million construction bond issue isn't scheduled until after action on a federal education bill.

Ford said he thought the aid to education bill would be approved by Congress and that Arkansas school teachers would get enough additional pay under the law to remove any valid reason for opposing the bond issue.

Faubus has not yet called an election on the proposal, which has drawn the fire of the Arkansas Education Association on ground it might cut into money for teachers' salaries. Faubus has denied the AEA charge.

Ford said he favors federal aid to education, supports the bill proposed by President Kennedy and is sure Arkansas won't turn down the assistance.

Meanwhile, Capitol sources speculated that Arnold B. Sikes, Faubus' executive secretary, would work in a campaign to gain public approval for the bond program.

And speculation, first raised several weeks ago, was revived that Harold Ohlendorf of Osceola, president of the Arkansas Farm Bureau Federation, would head the pro-bond campaign.

Ohlendorf wasn't available for comment.

Sikes expressed surprise that he was being mentioned in connection with the campaign. He said no one had approached him in regard to the matter.

The bond issue would provide construction funds for a number of state institutions including the seven state-supported colleges, the University of Arkansas, the State Hospital and the Arkansas Children's Colony.

Joshua K. Shepherd, Little Rock insurance executive, was said by a close friend to "very likely" to head opposition to the bond proposal.

Dispute Halts Work on Federal Annex

LITTLE ROCK (AP) — A dispute over whether lathers or carpenters should install the metal studs to support the building's interior walls has halted construction on the \$5,671,000 federal annex here.

The L. S. Goldman Lathing and Plastering Co. of Dallas, a subcontractor, has been using members of the lathers union to install the studs, but the carpenters contend they should perform the work.

Carpenters Local 690 have placed pickets outside the building Tuesday. All workmen honored the picket line.

A contractor's spokesman said about 25 men were idled by the dispute. He said about 150 work for Goldman.

The Goldman company filed a complaint with the National Labor Relations Board as a result of the dispute.

WERE HANGED — THE "PIRATES OF ELBOW CAY," first white men to be hanged in the Bahamas in more than 200 years, go to the gallows at Foxhill Prison. Alvin Table Jr., 26, left, of Bridgeton, N. Reds Arrive for a Laos Conference

By RICHARD O'REGAN

GENEVA (AP) — The first top-level Communist delegations to the Laos conference arrived in Geneva today. Soviet Foreign Minister Andrei A. Gromyko came with a party of about 25 advisers.

Although Soviet, Red Chinese and other Asian delegations were pouring into this Swiss city, there was still some doubt that the projected 14-nation parley will open Friday as scheduled.

The United States and other Western powers among the 14 have proclaimed an intention to stay out until the three-nation control commission for Laos certifies the cease-fire agreed upon by the royal government and pro-Communist rebels last Wednesday.

That certification is still lacking.

Gromyko was followed in by Chang Yen, secretary-general of the Red Chinese delegation. Chinese Foreign Minister Chen Yi was due later from Moscow together with deputations from North Viet Nam.

The meeting was called by Britain and the Soviet Union, co-chairmen of the 1954 Geneva conference that settled the Indochina war. They have agreed the coming meeting will be officially titled "The International Conference for the Settlement of the Laos Question."

53 Women Make 3-Co. Tour Friday

Fifty three Hempstead County HD women took part in the third annual Tri-County Tour Friday, May 5 at Nashville. The group left the county courthouse at 8:15 and met for the first part of the tour at the Oak Cement Plant near Saratoga. A reception committee of two Howard county HD club women and officials of the plant took the ladies through the quarry and the plant itself.

At 10 the club members from Hempstead, Howard and Pike counties met at the Legion Hut at Nashville for the registration and program. Mrs. Harold Dossey Howard county; council president introduced Judge Jones Floyd, who welcomed the group to Nashville. Mrs. Ernest Graham of Hope led the singing of several safety songs. Mrs. Lester Kent, Hempstead county council president gave the devotional.

Miss Dorothy Price, Southwest District HD Agent and Miss Elizabeth Ellis, Home Management Specialist, presented slides on the preparation, training and work of a HD Agent.

Mrs. Frances Royston, president of Arkansas Council of HD Clubs was a special guest and gave an interesting talk on "Problems, Problems and Progress in HD Club Work."

In the afternoon the women visited the Coca Cola Bottling Plant and the basket and box plant.

Several women remarked at the close of the tour "We didn't know there were so many interesting things to see in our neighboring county and it is so nice to meet other home demonstration club women."

Second Meet to Get Shaky Cease Fire

By JOHN GRIFFIN

VIETNAME, Laos (AP) — The top members of the International Control Commission planned to fly to the rebel headquarters at Xieng Khouang today in an effort to get the shaky Laotian cease-fire certified before Friday's opening of the Geneva conference on Laos, informed sources said.

Commission chairman Samar Sen of India and his Canadian and Polish colleagues also were expected to try to find a formula for getting the lagging cease-fire and political talks under way.

Both sides in the Laotian civil war proclaimed a cease-fire a week ago but negotiations for a permanent armistice and a coalition government have been delayed by failure of the rival factions to agree on a meeting place.

The United States and Britain have stated the cease-fire must be verified by the true commission before they will sit down at Geneva.

There have been a number of minor clashes on the various fighting fronts during the past week, some with serious implications, but generally the cease-fire has been considered effective.

Informed sources said the top commission leaders were invited to Xieng Khouang by the rebels. They were snubbed Tuesday in a meeting with lesser rebel negotiators at Hin Heup, on the front 55 miles north of Vientiane.

The Vientiane government again today sent a delegation to Hin Heup to confer with representatives of the Pathet Lao and Prince Souvanna Phouma, the self-styled neutralist rebels regard as premier.

Homecoming at Sweet Home Sunday

The annual home coming day will be observed by the Sweet Home Church, 5 miles east of Blevins on Highway 24, Sunday, May 14, services will begin at 10:15 a.m.

Since this day is Mother's Day, a mothers day program will be given by the children of the Sunday School, under the direction of Mrs. Charles Floyd, Mrs. Elgie Carman, Mrs. Harvey Montgomery and Mrs. Bill Shultz.

The devotional will be by Lester Wade, Rev. J. R. Callicott, will bring the morning message and lunch will be served at noon. The afternoon will consist of good gospel singing. The public is invited, especially all singers. Mr. Wade will be MC for the morning service and Zack Stone for the afternoon services.

ESD to Add 7 in Two Cities

LITTLE ROCK (AP) — Arkansas Employment Security Division Director J. L. Bland said Tuesday that seven employees will be added to ESD offices at Little Rock and Fort Smith to help in President Kennedy's accelerated back-to-work program.

Bland predicted that new federal funds to ease the effects of prolonged unemployment will be made soon.

After June 30, when funds become available, Bland said an additional 50 employees would be put to work in ESD offices over the state in a drive to find jobs for an estimated 62,500 currently unemployed Arkansans.

Governor to Ask for Help for Floods

LITTLE ROCK (AP) — Gov. Orval E. Faubus will ask for disaster relief for flood and tornado battered areas of Arkansas as soon as he has some concise estimates of total damage.

"You don't just ask the federal government for relief; you ask for a specific amount," Faubus said today.

"State Civil Defense and county officials are collecting the figures. I can't do anything until they put their report on my desk."

The federal Small Business Administration has declared Baxter, Boone, Marion and Garland Counties as disaster areas.

Faubus said he wants to include Madison, Newton, Pope, Crawford, Pike and perhaps some other counties.

Several federal agencies are involved in disaster relief operations. The SA aids businessmen, the Farmers Home Administration helps farmers and other agencies handle damage to public works such as highways, schools and the like.

Faubus said he told officials at Harrison by telephone Tuesday night to get figures ready for him. He indicated he might ask relief for Harrison, which had an estimated \$10 million damage in a weekend flash flood, before other figures are in.

Besides Boone, of which Harrison is the county seat, the counties already designated by SEA as disaster areas were struck by tornadoes, beginning with Garland last Friday night.

Faubus left today on a two-day fishing trip in southwest Arkansas.

Flood Control Rejected Once

LITTLE ROCK (AP) — A flood control project for the creek which flooded Harrison Sunday, once rejected as economically unjustified, will be speeded up as a result of the new disaster.

A 1957 Army Engineers report said the project on Crooked Creek last economic justification and feasibility. A new study, under the federal Soil Conservation Service, started earlier this year.

Weather Slows Strawberries

LITTLE ROCK (AP) — Wet and cool weekend weather has slowed Arkansas' strawberry harvest, the Federal-State Market News Service said today.

Rain and cool weather affected the harvest in all three major strawberry areas, Bald Knob, Marshall and Northwest Arkansas.

All three areas predicted increased harvest later this week and early next week with improving weather conditions.

NATO Promises Freedom to West Berlin

By TOM OCHILTREE

OSLO, Norway (AP) — North Atlantic Treaty Organization foreign ministers promised today to preserve the freedom of the 2½ million residents of West Berlin and to meet the Communist bloc's challenge throughout the world.

In a communique ending their three-day spring meeting, the ministers expressed confidence that the combined resources of NATO are adequate to prevent Communist aggression.

"In the world as it is today the unity and strength of the Atlantic alliance is essential to peace and the survival of liberty," the communique said.

"Its collective resources—moral and material alike—are fully adequate to this task. Confident in their strength, in the will of their peoples, and in the truth of the ideals they uphold, the 15 Atlantic nations dedicate themselves anew to building a world free from the false doctrine of continuing and inevitable conflict."

Texas Towers Built Right, Officer Says

WASHINGTON (AP) — Cmdr. Edmund Foster, the Navy officer responsible for construction of the Texas Tower that collapsed and carried 28 men to death in the sea, testified today a satisfactory building job was done.

Foster appeared before the Senate Preparedness Investigating subcommittee as that group reopened its inquiry into the collapse of the radar installation 80 miles off Atlantic City, N.J., Jan. 15.

Subcommittee Chairman John Stennis, D-Miss., in a statement opening the session, said the tower probably should have been abandoned "long before it fell into the sea."

He said evidence in previous hearings has raised questions that go all the way back to the method chosen for erection.

Foster said that in the summer of 1958 the Air Force reported the tower had started to move excessively and divers found one connecting pin loose and another retracted.

Foster said the contractor made the repair at his own expense under constant inspection by divers.

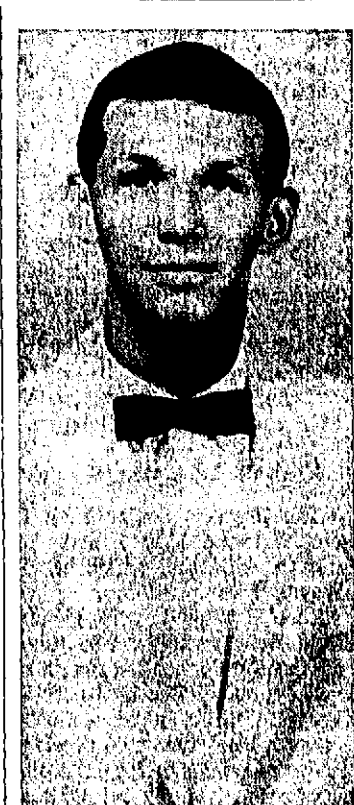

The job was completed satisfactorily in May 1959, Foster said, and this was the last service performed by the Navy at the tower.

Policemen Face Court Citations

LITTLE ROCK (AP) — Ten North Little Rock policemen face contempt of court citations because they failed to appear to prosecute misdemeanor charges on appeal before Circuit Judge William J. Kirby.

Kirby Tuesday ordered the officers to show cause why they should not be held in contempt. He dismissed the charges when the officers didn't show up.

A Police Department spokesman said one officer was on vacation, another didn't receive a notice of the hearing and others were in North Little Rock Municipal Court.

Spring Hill Student Wins Scholarship

MAGNOLIA — Southern State College announces the award of a \$250 Honor Scholarship for the academic year 1961-62 to Richard Charles Greenhaw, outstanding senior student at Spring Hill High School and son of Herbert C. Greenhaw of Rt. 1, Hope.

Greenhaw, who plans to major in engineering, has the highest grade point average of any student graduated from Spring Hill School in the past ten years, according to Scott Key, superintendent of the Spring Hill Consolidated schools.

He has played basketball and baseball and participated in other sports while at Spring Hill High School, and has been president of his class the past three years and of the FFA for two years.

The scholarship awarded to Greenhaw was made possible by a contribution to the Southern State College Honor Scholarship Fund by the Smithery Corporation of Magnolia. These scholarships are being provided by supporters of the college through a committee composed of W. C. Blewster, chairman; C. C. Cole, vice-chairman; and Archie Monroe, secretary, all of Magnolia. The committee is seeking to establish 100 such scholarships in the amount of \$250 each and renewable for the four years of college study.

New Reservist Bill Passed by House

WASHINGTON (AP) — All reservists would have an eight-year military obligation under a bill passed by the House.

The measure sent to the Senate Tuesday would place reserves in all branches of the armed forces on the same basis, adding two years to the obligation of men from 18½ to 26 years of age who enlist in the ready reserves.

The eight-year obligation already applies to those who enter the reserves under 18½ and to draftees who must remain in the reserve six years after two years on active duty.

The bill also would give the National Guard the authority already possessed by other organized reserves to order 45 days additional active duty for men who fall behind in required training.

5 of 69 Aboard Crashed Plane Americans

ALGIERS (AP) — A French airliner carrying 69 persons crashed in the Sahara about 75 miles north of the oil field of Edjelo.

The plane had last reported at 1:10 a.m. when it was directly over Edjelo.

An Air France spokesman said the mother, wife and three children of Alan Lukens, U.S. charge d'affaires in Bangui, Central African Republic, were aboard the four-engine plane.

Names of the passengers and crewmen were not available, but the Lukens were known to be aboard, he said. U.S. Embassy officials said Lukens apparently stayed in Bangui while his family took a vacation trip.

No Bills in Harrison on 10th of Month

HARRISON, Ark. (AP) — May 10 customarily is monthly bill day in this Ozark city, but few merchants worried about that deadline today.

Businessmen and most residents were still busy clearing debris and cleaning up from a cloudburst-flood which devastated the downtown area early Sunday.

Many stores set up temporary offices to accept payments on accounts. Some appealed for payments to help them get operating capital. Most managed to salvage records.

But the estimated \$10 million loss in the business district will mean delayed payment in many cases. The Harrison Daily Times announced indefinite postponement of payment of accounts. Few merchants had any goods left to advertise.

Search went on for the body of a woman believed drowned in the flash flood.

The body of her husband, C.J. McCutcheon, 78, was recovered Tuesday. Two other bodies were found Sunday.

Dozens of other residents reported narrow escapes. Many businessmen, alerted to the flood danger, were trapped in stores by fast-rising water.

"We're happy to be alive," said Mrs. Ralph Cralle. She and her husband and 14-year-old daughter Karen, clung to a transom in a flower and gift shop for several hours until a boat rescued them. Their store was wiped out.

Businessmen sought emergency loans from the Small Business Administration to rebuild and replace stock.

And they found some consolation in an accountant's advice that they might be eligible for federal tax refunds because of the flood losses, most of which were not insured.

Arkansas Hanged in Bahamas

NASSAU, Bahamas (AP)—Two Americans died on the gallows of Nassau Prison today for the murder of a Florida charter boat captain. They were Alvin Table Jr., and Billy Wayne Sees and were the first Americans ever executed in the Bahamas.

Table, 25, mounted the scaffold at 7 a.m. and an hour later, his partner in crime, Sees, 23, was put to death.

Table and Sees were convicted of slaying Capt. Angus Boatwright 55, of Islamorada, Fla., on April 24, 1960, at Elbow Key in the Bahamas.

Testimony at the trial showed that Table and Sees stole a 42-foot cabin cruiser in Key West and headed to sea with Table's bride of a month, Barbara, 18, of San Antonio, Tex.

They ran out of gas and the boat drifted onto rocks and broke up. The trio took refuge in an abandoned lighthouse where they remained three days.

Boatwright and his mate, Kent Hokanson, 20, also of Islamorada, happened along in their 38-foot

charter boat, Muriel III, with four passengers aboard.

Sees signaled the boat, later he went out and boarded it. Testimony showed he pulled a revolver and ordered Boatwright and the others into the stern.

When Boatwright grabbed a rifle, Sees shot and fatally wounded him. Before he was shot, Boatwright had radioed the Coast Guard at Miami, Fla., that he had found two men and a girl on Elbow Key.

Table and Sees forced the mate and passengers ashore and sped away. Table's wife refused to go with them.

An hour later a Coast Guard amphibian plane picked up the abandoned party and a Cuban gunboat overhauled Table and Sees the following day when the Muriel III ran aground on an island in Cuban territorial waters.

After their conviction, Table, of Torrance, Calif., and Sees, of Etowah, Ark. appeared to the Privy Council in London but lost.

Foundation of Building Collapses

BEVERLY HILLS, Calif. (AP)—Foundation work for a \$13.5-million bank building on Wilshire Boulevard collapsed with a roar Monday night.

The scaffolding and concrete work collapsed into an excavation that was to be used as an underground parking lot for 1,000 cars.

Residents' hot blocks around were aroused by the thunderous vibrations from the collapse. But no one was injured.

Night watchman Ray Brock ran from his trailer office at the edge of the hole and warned traffic away from a hole that extended out into the boulevard.

Police said the collapse apparently was caused by ruptures in water mains in the area.

Scores of sightseers were attracted to the scene and traffic was tied up during the emergency.

Under construction is a new United California Bank building scheduled for completion next year.

Praise and Warning by FCC Chief

WASHINGTON (AP)—The broadcasting industry today heard some high words of praise and some stern words of warning from the new chairman of the Federal Communications Commission, Newton N. Minow.

In his first talk before an industry gathering, Minow told the National Association of Broadcasters he agreed with Leroy Collins, NAB president that "a much better job can be done and should be done."

"I want to see broadcasting improved and I want you to do the job," Minow said.

Minow called attention to a recent presidential warning on off-record contacts with federal regulatory agencies and said he "may suggest changing this seven-member commission's name to 'The Seven Untouchables.'"

The chairman elected in what he called his "maiden station break" to concentrate on television because, he said, "most of the controversies and cross-currents in broadcast programming have swirled around television" in recent years.

"When television is good, nothing—not the theater, not the magazine or newspapers—nothing is better," he said.

"But when television is bad, nothing is worse."

"International TV will be with us soon," he said. "No one knows how long it will be until a broadcast from a studio in New York will be viewed in India as well as in Indiana. We cannot permit TV

in its present form to be our voice overseas."

Inspectors Check on McKinley

LITTLE ROCK (AP)—Two Post Office Department inspectors are checking the "community acceptability" of Ed I. McKinley Jr., controversial former school board president once nominated as acting Little Rock postmaster.

V. D. Nidifer of St. Louis is working with N. H. Kershaw, a Little Rock postal inspector. They said they would report to the St. Louis regional office.

The investigation, they said, was at the direction of Postmaster General J. Edward Day, who blocked McKinley's scheduled appointment because of "serious questions which have been raised about his community acceptability."

These presumably stemmed from McKinley's part in Little Rock's school integration crisis, he headed the school board in the stormy days of 1957-58 until he was ousted in a recall movement sparked by discharge of 44 teachers.

Rep. Dale Alford, who nominated McKinley, issued a strong blast against the Post Office after Day held up the appointment.

Opposes Idle Pay as Much as Work Pay
 LITTLE ROCK (AP)—Gov. Orval E. Faubus said today he opposes "paying people as much for being idle as for working."

The governor made the remark when asked by newsmen for his views on efforts to set a federal minimum of 39 weeks and two-thirds of pay on the unemployment compensation program.

"I think this matter should be left to the states," Faubus said. "There should be some flexibility in the program."

Duration and amount of payments under unemployment compensation now are set by the various states. Arkansas pays a maximum of \$30 weekly for 26 weeks under its regular program. An additional 13 weeks of pay now is available under an emergency program.

"If they fix it so nobody has to work, we'll be left to pay the taxes to support the program," Faubus asked.

The governor said he has made his views known to J. L. Bland, director of the Arkansas Employment Security Division, who will attend a conference on the topic in Washington this weekend.

Raps Shifting of Envoys Constantly

WASHINGTON (AP)—Sen. J. William Fulbright, D-Ark., rapped the State Department today for what he called an "idiotic policy" of constantly shifting ambassadors.

Fulbright, chairman of the Senate Foreign Relations Committee, expressed his views at a public hearing on the nominations of Philip W. Bonsal to be ambassador to Morocco and Walworth Barbour to be ambassador to Israel.

He praised both of the career officers for excellent foreign service records. But he objected to what he said was a policy under which the average ambassador is kept at a post less than two years, and frequently is shifted to areas with which he is unfamiliar by background and service.

The committee approved the nominations of Barbour and Bonsal along with that of former Rep. A. S. J. Carnahan, D-Mo., to be ambassador to Sierra Leone. The committee also approved the nomination of Robert F. Woodward of Minnesota, ambassador to Chile, to be U.S. representative to the Ninth Session of the U.N. Economic Commission for Latin America now meeting at Santiago.

26 Freight Cars Are Derailed
 MANSFIELD, Mo. (AP)—Twenty-six cars of a 97-car Frisco freight train and five diesel units derailed outside this Ozarks community today.

Three crew members were injured. They were Jack C. Barrett, 40, Frank Uzzell, 46, and Forrest Earl Hendricks, 51, all of Springfield.

They were taken to St. John's Hospital in Springfield where Barrett was listed as in serious condition and Uzzell and Hendricks as fair.

Thirteen of the derailed cars were loaded. The cargo included furniture, lumber, clay and pup paper.

The train was northbound from Memphis, Tenn., to Springfield, Mo. Springfield is 40 miles west of here.

The derailment was about 2 a.m. Frisco officials in Springfield said they didn't know the cause.

Frisco's Kansas City to Birmingham train, which normally would pass over the track, was derailed through St. Louis. A Birmingham to Memphis train was delayed.

Red Cross Takes Relief Funds

LITTLE ROCK (AP)—The Red Cross said today it is accepting unit contributions for the relief of Arkansas flood and tornado victims. Checks should be made payable to the Red Cross Disaster Fund and may be sent to any county.

Widow Nervous About Stepping Out

By HELEN WORDEN ERSKINE

Dear Helen: I have been a widow nine years, most of which time has been spent caring for the sick. Now I feel like staying in my own home again and having company. A friend who winters in the South has invited me to join her. "There is a nice man, a widower, here who wants to meet you," she writes. "Come down and we can all drive north together. He's a great song leader."

I have a two weeks vacation coming. Do you think I should go? My children and friends want me to remarry. If this man and I like each other, how can I be sure he could give me security? I was married at 17. My husband was 19. Please give all the help you can to a —Sixty-Five-Year-Old Widow

Dear Widow: Of course you must go! Buy yourself some pret-

ty clothes, get a new hair-do and look your most attractive. If acquaintance with the nice man flows into friendship and eventually love, okay. Once you really know him, it will be simple enough to find out if he can give you security. But for goodness sake, don't go with that in mind. Make this a fun trip and let your heart guide you.

Dear Helen: We have recently moved into a neighborhood where there are 12 children always running in and out of my home, asking for special attentions and treats as they did with the former occupants of this house. How can I politely cut their activities here to a minimum? I would like to remain friendly with their mothers but do feel I'm entitled to some peace, quiet and privacy. Continued on Page Four

Gentile Raps Consecutive Grand Slams

By ED WILKS
Associated Press Sports Writer

Jim Gentile set a major league record by hitting consecutive grand slam home runs as Baltimore whipped Minnesota 13-5 Tuesday, and left-hander Herb Score pitched a two-hitter as the Chicago White Sox beat Cleveland 4-2 and escaped the American League cellar after losing seven in a row.

Detroit gained a three-game lead although splitting a two-night doubleheader with Washington, winning 7-2, then losing 5-4. Kansas City beat second place New York 5-4, and Los Angeles defeated Boston 8-7.

In the National League, Pittsburgh belted San Francisco 9-6, Los Angeles defeated Philadelphia 5-2 in a game called after 5½ innings because of rain, and Milwaukee rapped Chicago's Cubs 8-5. St. Louis at Cincinnati was rained out.

Gentile, 26, a lefty hitter who walloped 21 home runs last season after his conditional purchase from the Dodgers' farm at St. Paul, returned to Metropolitan Stadium at St. Paul-Minneapolis and hit his slams in the first and second innings. They came off loser Pete Ramos (2-2) and reliever Paul Giel.

The two shots, both 410-foot blasts, gave Gentile a major league record with eight RBI in two innings. He finished with nine runs batted in, taking the AL lead with 30, and tied Mickey Vernon of the Yankees for the home run lead with nine.

Ron Hansen also homered for the Birds, who had 11 hits, eight for extra bases. Bob Allison, belting two, Hal Naragon and Harmon Killebrew homered for the Twins off winner Chuck Estrada (2-1) and Gordon Jones.

Score, 27, making his first start of the season, had control trouble but pitched the sixth two-hitter of his career. It was four years ago—almost to the day—that he was struck in the eye by a line drive.

The White Sox had only four hits off Jim Perry (2-2), but got the job done on the hitting of Jim Landis. He had two hits, one a tie-breaking, two-run homer in the seventh, drove in three runs and scored two.

Southpaw Don Mossi won his fourth without defeat for the Tigers with a four-hitter. He gave up the runs on consecutive homers by Willie Tasby and Gene Green in the fourth inning. Joe McClain was the loser for a 3-2 record.

Tasby also homered in the second game for the Senators along with Gene Woodling, whose seventh-inning shot wrapped it up. Bennie Daniels (1-3) won his first in the AL with Dave Sisler's relief help. Paul Foytack (1-2) was the loser.

The A's, held to one run and the loser.

The A's, held to one run and four hits for seven innings, chased Whitey Ford and beat reliever Luis Arroyo (1-1) with four runs in the eighth. Singles by pinch-hitter Don Larsen and Hank Bauer, both ex-Yanks, and an infield out brought them home. Ray Herbert (2-1) won it with a no-hit mopup by Jim Archer in the ninth. Tony Kubek and Bill Skowron homered for the Yankees.

The Angels won four in a row for the first time with an unearned run in the ninth on an error by rookie Carl Yastrzemski of the Red Sox. Boston, twice a 4-2 lead in between, had tied it 7-6 in the ninth on a two-run double by Jim Pagliaroni. Eli Grba (3-2) won it and Ted Willis (1-1) lost it, both in relief.

Starting pitcher Jerry Casale, Leon Wagner, Earl Averill and Gene Leek homered for the first seven runs by the Angels, who have belted 26 in 13 games at Wrigley Field. Yastrzemski's first major league home run made it a total of 42—an average of four a game—for the cozy home of the Angels.

Benefit Cage Game at Laneburg

There will be a benefit basketball game at the Laneburg School Gymn. Friday, May 12 at 7 p.m. with the proceeds going to the Robert Almand family who is in distress.

The first two games will be between the 4, 5, 6, and 7th grade boys and girls. The third game will be between the Prescott Independents and the Rounders from several schools.

The games are being sponsored by the friends of Robert Almand.

Travelers Drop Pair to Shreveport

By VERNON BUTLER
Associated Press Sports Writer

Don Lumley has never reached the .300 batting level in four years of professional baseball but Lou DeBole, a tall, high-kicking hurler for the Chattanooga Lookouts will tell you that Lumley packs a pretty good punch.

Lumley hit two homers last night in Chattanooga's Engel Stadium, no slugging paradise, to lead Nashville to a 4-1 victory over the Lookouts in 10 innings. His first wallop came in the seventh inning and tied the score at 1-1. He slugged another off DeBole in the 10th with one man on to seal the Vol's victory and hand right-hander DeBole his first loss in four decisions.

Grand-slam home runs highlighted two other Southern Association games. Ray Withrow hit one for Mobile after Birmingham right-hander Alan Koch had walked three straight Bears. Mobile won 7-1 behind Bob Anderson's six-hit mound mastery. Bill Kern homered with the bases loaded to give the Sports a 5-4 comeback victory over Little Rock in the first game of a double header. The Sports made it a 7-1 night by copying the nightcap 7-1 on Dan Pfister's five-hitter.

Atlanta regained second place from Birmingham by outlasting the Macon Peaches 7-6 in 12 in-

A Frameup Says George Ratterman

NEWPORT, Ky. (AP)—George Ratterman, former Notre Dame and pro football quarterback tapped by reform groups as candidate for Campbell County sheriff, calls his arrest with a woman in a Newport hotel a frameup.

Ratterman, 38, said "the decent citizens cannot help but deplore those underworld tactics."

His own group, the Committee of 500, announced its support after Ratterman was charged Tuesday with breach of the peace, resisting arrest and disorderly conduct.

Ratterman claimed he was drugged in the apartment of a former friend, Tito Carinci. He said he had never before met Juanita Jean Hodges, 26, Houston, Texas in whose company he was arrested.

Tests made by Kettering Laboratories, Cincinnati, indicated Ratterman had been given chloral hydrate, commonly called knockout drops.

The Rev. Dudley Pomeroy, head of the Social Action Committee of the Newport Ministerial Association, another reform group, rallied to Ratterman's support.

The cases of Ratterman and Miss Hodges, who dances under the name of April Flowers, were continued to May 16 by Judge Joseph Rolf. Trial of Carinci, charged with breach of peace for allegedly trying to prevent detectives from entering his apartment without a search warrant, also was continued. Carinci is manager of the Glenn Hotel where the arrest took place.

Ratterman is the father of eight children. His wife, Anna Ratterman, said she was with him "all the way."

AMA Plans Fee Guide for Doctors

ROCHESTER, N.Y. (AP)—An American Medical Association plan to guide doctors in setting fees is being mailed to doctors now, a spokesman for the AMA says.

The plan, still subject to change, does not set fees but suggests a relative value for each service.

For example, says Dr. Waring Willis, each service is given a certain number of units. A house call might be worth one unit and a minor operation 10 units.

So if a physician charges \$5 for a house call, he would charge \$50 for a minor operation, Dr. Willis said.

The plan was announced Monday at the opening session of the Medical Society of New York convention.

continued to May 16 by Judge Joseph Rolf. Trial of Carinci, charged with breach of peace for allegedly trying to prevent detectives from entering his apartment without a search warrant, also was continued. Carinci is manager of the Glenn Hotel where the arrest took place.

Ratterman is the father of eight children. His wife, Anna Ratterman, said she was with him "all the way."

There have been charges of gambling, prostitution and liquor law violations in Campbell County for many years.

Pirates End Giants' Win Streak at 4

By ED WILKS
Associated Press Sports Writer

The Pittsburgh Pirates chased Jack Sanford in a three-run first inning and beat San Francisco 9-6 Tuesday night, ending the Giants' winning streak at four and slicing their National League lead to one game. The Los Angeles Dodgers took over second place with a 5-2 victory at Philadelphia in a game called after 5½ innings by rain, and Milwaukee belted the Chicago Cubs 8-5.

The other NL game, St. Louis at Cincinnati, was rained out.

In the American League, Detroit split a two-night doubleheader with Washington but padded its lead to three games. The Tigers won the opener 7-2, then lost 5-4 while the second-place New York Yankees were losing 5-4 at Kansas City. Baltimore plated Minnesota 13-5, with Jim Gentile crashing two consecutive grand slam home runs for a major league record. The Chicago White Sox, after losing seven in a row, beat Cleveland 4-2 behind the two-hit pitching of Herb Score. Los Angeles defeated Boston 8-7.

Sanford was tagged for five hits and gave up two walks in the Bucs' big first inning. Roberto Clemente drove in the Pirates' last four runs, hitting a two-run single off reliever Jim Duffalo for a clinching 7-0 bulge in the second inning and then bashing a two run homer off Ed Fisher in the seventh.

Southpaw Harvey Haddix won his second without defeat, but gave up a solo homer by Ed Bailey and needed Clem Labine's relief help in the seventh.

The Dodgers sent the Phillies to their eighth straight defeat behind the four-hit pitching of Don Drysdale (3-2). Art Mahaffey (2-3) was the loser, giving up home runs by Ron Fairly and Norm Larker as the Dodgers scored in each of the first five innings.

Joe Adcock, who hit two homers, and Frank Bolling each drove in three runs as the Braves ended their losing slump at three. Bob Buhl, making his fifth start, won his first against two defeats with a four-hitter, two of them homers by Ernie Banks that drove in four runs. Glen Hobbie (1-4) lost his third in a row when the Braves broke a 3-3 tie in the seventh.

Outfielder Frank Thomas, traded to the Braves by the Cubs for

Babe Ruth League Is Organized

In a meeting of the Babe Ruth League managers last week at the Youth Center, the following boys were drafted for Hope's two Babe Ruth League teams that will be jointly sponsored by the Hope Auto Co., Hope Basket Co. and the First National Bank.

This year's league will include two Hope teams and two Nashville teams. The league will be affiliated with the National Babe Ruth League Inc. and will be eligible for tournament play this summer.

Any boy who is not listed on a team roster through some error should contact the Parks and Recreation Office immediately.

There will be no Babe Ruth League try-outs on May 11 as previously scheduled.

Team 1—Ray Duke, Manager.

Dan Jones, Mac McLarty, Bill Barber, Kenny Light, Ronnie Huckabee, Dale Ravencraft, Greg Wren, Charles Beard, Revell Bul-

lard, Sammy Strong, Randy Ross Larry Stroud, Tommy Still, Riley Lemley, Fred McCutley, Connie Browning, Terry Allen, Jerry Burnett, Mike Green, Roger McClellan, John Honeycutt, Larry Thrash, Billy McKenzie, Jimmy Hartfield and Pat Schooley.

Team 2—Dick Campbell, Mgr. Richard McDowell, James Mac-

cum, Don Martin, Ronnie Ingram Joe Chism, Jim Brown, Dennis Ramsey, Bob McGill, Fred Verser Rodney Billings, Grady Royston Ed Aslin, Gary Rogers, Robert Smith, Jim Robertson, Monty Malone, Jimmy Johnson, Jack Watkins, Reuben Evans, Tony Purdie, Tommy Parris, Jack Coop

Buddy Jordan, Doug Campbell, Paul Hunley, Steve Mhoon and Emmett Wassell.

NEWEST, NEATEST way to paint!

Here, from Du Pont research, is a wonderful new way to paint! New Du Pont "Lucite" Wall Paint gives walls and ceilings a rich, flat finish...with none of the nuisance you've known in the past...with less time getting ready and cleaning up afterwards! Easy-to-use "Lucite" Wall Paint dries in 30 minutes, will give years of service and take repeated washing!

No stirring! Just open the can and start painting. Spreads amazingly easily with brush or roller.

Doesn't drip or spatter like ordinary paint. Creamy-thick "Lucite" Wall Paint stays on walls and ceilings, off clothes and hands.
